PERMANENT CONTAINERS – URNS

Cremated remains are placed in a temporary plastic container once the cremation process has been completed. All urns deposited in the columbaria niches, should be of a size suitable to the niche, made of bronze (or other suitable material) and the inscriptions on them must all be approved by the cemetery. We are pleased to offer a selection of urns for the permanent placement of cremated remains. Prices of urns are available upon request at the Cemetery Office. Engraving services and costs are available upon request.
